SCDOT SOLICITATION NUMBER S-163-15

I-26 AND US 21 (EXIT 119) INTERCHANGE IMPROVEMENT PROJECT LEXINGTON COUNTY

The SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION (SCDOT) requests a letter of interest and a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of preliminary road and bridge plans, environmental studies and documentation, right of way plans and final construction plans for roadways and bridges, traffic studies including interchange modification reports for improvements to the I-26 and US 21 (Exit 119) interchange in Lexington County. Requested services include but are not limited to: project management, surveys, pipe/culvert inspection, railroad coordination, traffic studies, modeling and interchange modification reports, environmental studies and documentation including public involvement, environmental permitting, traffic engineering/signal design, bridge design, roadway design, roadway structure design, hydrology/hydraulic design, geotechnical services, hazardous materials survey, subsurface utility engineering, utility coordination, right of way coordination, development of preliminary/final right of way plans, overhead lighting design, value engineering, development of preliminary/final construction plans, pavement marking and signing plan, constructability review, construction phase services, engineer's estimate/project specific special provisions and other related duties deemed necessary. The project team should be capable of providing all services outlined above.

Due to the unknown impacts of this interchange improvement, the project is to be divided into multiple phases of work with Project Management and Preconstruction Planning (Phase I) and Preliminary Design (Phase II) being the first phases contracted. Subsequent phases of development will be at the discretion of SCDOT and may include Final Construction Plans (Phase III) and Construction Services (Phase IV). SCDOT intends to contract with one consultant team for development of the project. RFP information associated with this solicitation is located at the following link: http://www.scdot.org/doing/constructionLetting_Services.aspx.

For questions, please contact the SCDOT Contracting Officer, Wendy Hollingsworth, at 803-737-0746 or via email at Hollingswg@scdot.org. Electronic Submissions are due no later than 2:00pm, 8/11/2015.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
